

Lead Service Technician (Gas 2 Fitter) Full-time

Morgan Fuels, a large fuel and propane distribution company operating throughout Northwestern Ontario, has an employment opportunity for a full-time Lead Service Technician.

This position is based out of **Dryden** preferably, but will be serving the entire area that Morgan Fuels operates in and will be responsible for installations, repairs, and servicing of tanks and equipment. The successful candidate will schedule appointments, supervise other Service Technicians, monitor inventory of parts and order all supplies and parts. Consideration will be given to applicants based out of Sioux Lookout or Kenora as well.

Preferred qualifications include, but are not limited to:

- G2 Gas Fitters License
- LP Endorsement or ability to obtain
- Fluent with TSSA codes
- Pump Mechanic Certification or ability to obtain
- DZ License or the ability to obtain one is an asset

The successful candidate will be required to submit an acceptable Criminal Records Check.

Why work for Morgan Fuels?

We offer competitive wages and benefits, including Life and Health Benefits and a pension plan (Employer contributes 9%, Employee contributes minimum 6%) as well as discounts on products after successfully completing a 3 month probationary period. Vacation entitlement increases to 3 weeks after 1 full year of employment!

If you feel your skills and qualifications meet the above requirements, please submit your resume and a current driver's abstract to hr@morganfuels.ca.

For more information or for a detailed job description, contact Diane or Max at 807-737-2250.

We understand that no candidate will meet every single preferred qualification. If your experience looks a little different from what we have identified and you think you can bring value to the role, we would love to learn more about you.
